

Digital Minds Robotics Summer Camp

What: Summer robotics camp for local youth

Who: Incoming 4th – 8th grade students

Where: Pioneer High School, Woodland.

Introductory Robotics:

Session 1: June 21 – 25. 9am – 3pm

Session 2: June 28 – July 2. 9am – 3pm

In this camp, students develop science, math, engineering and programming skills through various hands-on projects, including a culminating competition. As an introductory camp, this camp is perfect for kids with little or no robotics experience.

Intermediate Robotics:

Session 3: July 5 – 9. 9am – 3pm

This camp is geared towards those students who already have some robotics experience. The students will have more freedom as they design and build their more rigorous projects.

Registration: \$250.00

Mail registrations to: Digital Minds Robotics, 1400 Pioneer Ave, Woodland, CA 95776

Please enclose check payable to **Digital Minds Robotics**

For further information contact: Creed Watts. creed.watts@wjusd.org

Because of limited space, spots are reserved on a first come/first served basis as registrations are received.

Due to the uncertainty regarding the health and safety guidelines that will be in place during the summer months, there is the possibility that sessions will need to be cancelled. If so, full refunds will be provided.
